This are the 'Indecency' allowed for a long time..

1. hitting the referee. It teaches the kids to ignore or disrespect authority.
2. allowing the use of hard (objects (woods, chairs, tables,) to hit an opponent. It teaches unsportmanhip.
3. heavy cheatings are allowed. It teaches dishonesty, cowardice, meanness, brutal, un-gentleman...
4. too much cursing, foul language. It teaches low self esteem
5. indecent costumes. It teaches low self image
6. we export this ugliness to the world

Wrestling is a good, nice sports. They are skillful, strong, creative, good coordination and body stamina. But now it is a "trash" entertainment. I stop watching for a long time.
